

## Calling all TriBranch 2012 Poster, Scientific and Technical Presenters!

**TriBranch will be here before you know it**

**Ready, Set, Start working on your posters and presentations now!**

Hello Everyone, I am the 2012 TriBranch Poster Chair and want to motivate you to begin working on your poster, Scientific and Technical presentation submissions for the TriBranch Symposium to be held on June 12 & 13, 2012 at the lovely Atlantic City Convention Center. Mark your calendars now!

**The theme this year is R<sup>5</sup>  
Reduction, Refinement, Replacement, Respect, Responsibility**

Get your engines started for both past presenters who know the program, as well as those of you who will be first time presenters in 2012. I am counting on hearing from you and receiving your poster submissions. If you have never submitted a poster before, do not be intimidated! This is a great stepping-stone for you to become involved, participate, and receive the recognition you deserve as a contributor to the TriBranch Symposium program.

The TriBranch poster submissions are judged and winners receive monetary awards. This year we will have the traditional categories from Institutions and Corporations but we are including a new and exciting category entitled Enrichment.

I am available to you as your poster chair to answer your questions, provide instruction, offer guidance, and most importantly hoping to get you excited and motivated to submit a poster at Tribranch. Please don't hesitate to call me 215-898-3782.

Amber Lange is available to you for all Scientific and Technical Presentations.

I will be updating about the poster submissions for TriBranch in each upcoming newsletter. In addition to the posters, it is time to begin submitting your Scientific and Technical Presentations.

**Poster Submissions** should be sent to me, Denise DiFrancesco at [difrancesco@wistar.org](mailto:difrancesco@wistar.org).

**Scientific and Technical Presentations** should be sent to Amber Lange at [Amber.Lange@Novartis.com](mailto:Amber.Lange@Novartis.com)

You can also stay up to date by checking the TriBranch website at [Tribranch.org](http://Tribranch.org) on a regular basis. **You can also like us on Facebook@TriBranch 2012.** I want to reach a new record this year with poster submissions, but I can't do it without you. Get started now and I look forward to hearing from you soon!

Thank you for taking the time to read this and for the consideration to submit a poster and presentation.

Denise DiFrancesco  
2012 Tribranch Poster Co-Chair NJ AALAS, DVB AALAS, MNYB AALAS
