

Animal Specialties and Provisions, LLC Technical Service Award

This award is presented annually to a person who is primarily responsible for the day-to-day technical care and handling of laboratory animals or whose responsibilities support the functioning of the animal facility. Examples may include a person who is responsible for carrying out the duties of a study (dosing, weighing, necropsy, laboratory, etc.), or who is primarily responsible for animal health (breeding, surgery, health monitoring/treatment) or a person whose activities are critical in the day to day functioning of the animal care program. The qualifications are listed below:

- a. Must be working in the field of laboratory animal science.
- b. Must have daily contact with laboratory animals, or provide laboratory support for research protocols and/or animal health programs or provide logistical support that allows the animal care program to achieve its goals.
- c. Demonstrate positive and pro-active attitude toward animal health and welfare.
- d. Demonstrate pursuit of knowledge in the field of laboratory animal science.
- e. Must be a member in good standing of the DVB branch of AALAS.
- f. A person from within Delaware Valley Branch must nominate the candidate.

The award consists of a plaque and \$250 honorarium. The deadline for the nominations is May 1.
